EVENTS

New Year, New Term – Exciting Events in Library !

This term, we've welcomed new departments to the library, offering fresh experiences. We were thrilled to host The Wiz cast before their performance and the Humanities department for a thoughtful Holocaust Memorial Day reflection. We also explored different cultures, celebrating Chinese New Year and Burns Night, where Eva (Y7) won the Scottish Phrases Competition. Well done, wee lassie!

It's great to see everyone engaging with important topics. Let's keep learning and exploring!

CLUBS AND CHALLENGES

New Year, New You: The 501 Reading Challenge!

The 501 Reading Challenge is officially underway, running from January to July. But don't worry, you're not alone as even the teachers are joining in. Mr. Thomson is diving into the works of his favourite author, Terry Pratchett, while Mr. Moloney is exploring conflicts in Irish history (remember, it doesn't have to be fiction!). As for me, I'll be reading a mixture of mystery, fantasy, and just a touch of romance—after all, it is Valentine's month! I hope you've all started your reading journey; if you've not, now's the time to begin.

Don't forget: Every review you post on AccessIt earns you two reward points. Happy reading and reviewing!
