#### How can you help? Support Revision Planning:

- Short, sharp periods of effective revision.

- Hold them to their weekly plan as the week unfolds.
- Encourage careful selection and revisits: what do we not know? What is our priority?
- Plan rewards. Make sure they're earned!

### How can you help? Support the environment

FRED LONGWORTH

- Give your child a space where they can revise and organise their resources e.g. a kitchen/dining room table, desk in their room.
- Support the removal of distractions e.g. phones, TV – save these as rewards for later.
