Year 11 Careers Conference – Thursday 12th October 2017

Dear Parent/Guardian,

As part of our package of careers education, we have planned a careers conference for all Year 11 students at Leigh Sports Village on Thursday 12th October.

The day is designed to inspire and engage students in thinking about their future, raise aspirations and provide access to a wide range of information. The event is taking place on a PHSE day, so will not involve your son/daughter missing any lessons which they would normally attend. In addition to trade stands from over twenty colleges and training providers, we have a full programme of over 100 sessions led by professionals from a wide variety of industries covering everything from politics to logistics, retail and media.

Your son/daughter has been given a programme for the day during form period. This is also available on the school website by clicking on the 'Students' tab at the top right of the homepage, then 'careers help, guidance and alumni'. In order to make the day a success, I would be grateful if you could look through the programme with your son/daughter and help them to make choices about which workshops they would like to visit.

The dress code for the day is smart business dress and we ask that students wear clothing that would be appropriate to wear in an office environment. Students will register in the sports hall before boarding the coaches for the journey to Leigh Sports Village. Refreshments will be available throughout the day and a hot lunch will also be provided on-site.

Please do not hesitate to contact myself or Mr Fallows if you require any further information.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'M. Ainscough'.

Mr M Ainscough
Director of Creative Learning
