

Year 11 Study Skills

What does effective revision look like?

Revision is about short, sharp bursts of QUALITY work.

- Get rid of any and all distractions e.g. phone, iPad, music etc... These could be a **reward** for completing a quality 45 minutes.
- Decide on your **outcome**. What are you aiming to KNOW/have achieved in the next 30 minutes. Keep this **realistic**.
- Work in a space that is **not your bed**.
- Take regular breaks
- No work post-9pm
- Have a plan...

Have a plan...

We return to last week: what are those priority areas?

What are your priority subjects?	Within the subjects, what topics need your attention the most?
Think about your Year 10 exams. What subjects were highlighted as your priority?	Are you clear on the course you're taking and its components?
After leaving Freddie's, what subject areas/skills are you continuing to pursue?	What knowledge and skills are your priority within e.g. is it your knowledge of 'A Christmas Carol' or your reading skills?
