

How to access GCSE Pod from a computer

Visit the following link: <https://members.gcsepod.com/login>

Or via the school website under the **Student Menu | Student Apps**

Click on **Sign in with Office 365**

When the page loads, click on **Sign in with Office 365** again. If this does not work enter your school email address:

Enter your school email:

The image shows a Microsoft sign-in page. At the top left is the Microsoft logo. Below it, the text "Sign in" is displayed. Underneath, the email address "19test@flhs.wigan.sch.uk" is entered in a text field. Below the text field are two links: "No account? Create one!" and "Can't access your account?". At the bottom of the sign-in area are two buttons: "Back" (grey) and "Next" (blue). Below the sign-in area is a "Sign-in options" section with a magnifying glass icon.

Now that you have signed in you will be prompted with the following page:

The image shows a purple-themed account creation page. At the top, a blue box contains a name, followed by the text "Looks like you're new here!". Below this is the instruction "Please set a username and password." and a paragraph explaining the benefits of having a GCSEPod username and password. The page contains several form fields: "Username (required)" with the placeholder "Choose a username", "Password (required)" with the placeholder "Choose a password", "Confirm Password (required)" with the placeholder "Retype your password", "Password Hint (required)" with the placeholder "A password hint, in case you forget", and "Password Reset Email (optional)" with the placeholder "We can send password reset instructions here". At the bottom, there is a "What's This?" button and a paragraph: "Please set your subjects below. You can manage these in your account settings."
