

How to access GCSE Pod from a mobile

GCSE Pod Mobile App (Android Only)

The app can be downloaded from the following links:

Android:

https://play.google.com/store/apps/details?id=com.soundbitelearning.gcsepod&hl=en_GB&gl=US

IOS:

Please access GCSE Pod via your web browser or by clicking on the following link and follow the instructions for accessing GCSE Pod on a computer:

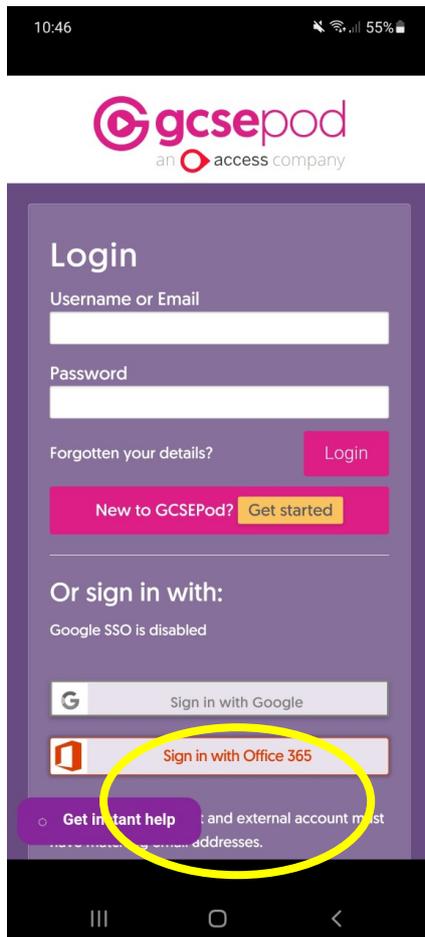

<https://members.gcsepod.com/podauth/login/office365>

Tip: For IOS users you could add a shortcut to your home screen:

<https://support.apple.com/en-gb/guide/shortcuts/apd735880972/ios>

Once the app is installed (Android) click on **Sign in with Office 365**

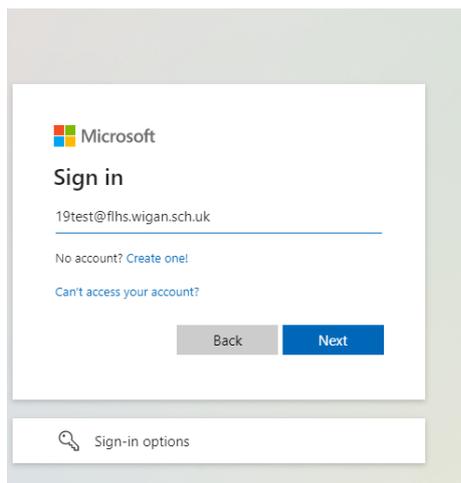

Sign in with Office 365

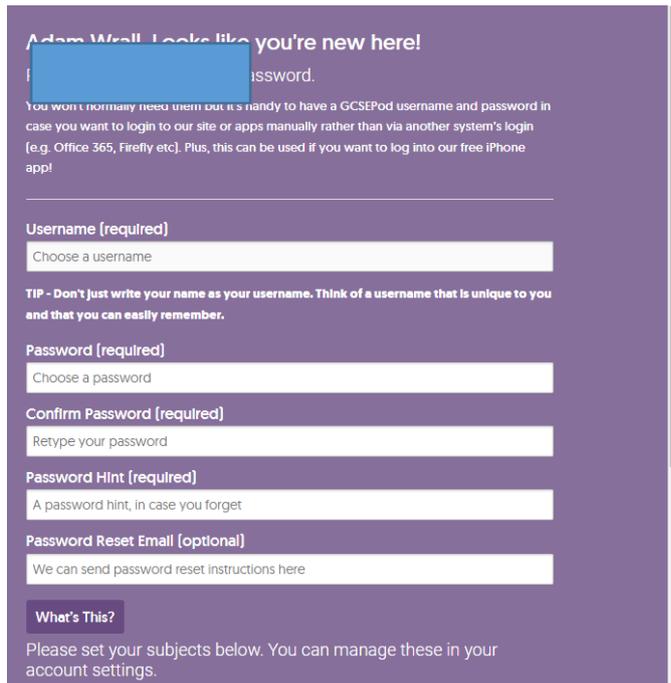

If the button does not work enter your school email address:

Enter your school email:

Now that you have signed in for the first time you will be prompted with the following page:

Adam Wall. Looks like you're new here!

[Redacted] password.

You won't normally need them but it's handy to have a GCSEPod username and password in case you want to login to our site or apps manually rather than via another system's login (e.g. Office 365, Firefly etc). Plus, this can be used if you want to log into our free iPhone app!

Username [required]
Choose a username

TIP - Don't just write your name as your username. Think of a username that is unique to you and that you can easily remember.

Password [required]
Choose a password

Confirm Password [required]
Retype your password

Password Hint [required]
A password hint, in case you forget

Password Reset Email [optional]
We can send password reset instructions here
