Home

Visit the following link: <https://members.gcsepod.com/login/>

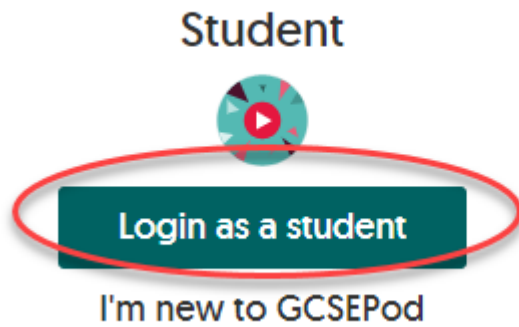

Or via the school website under the **Student Apps** Menu

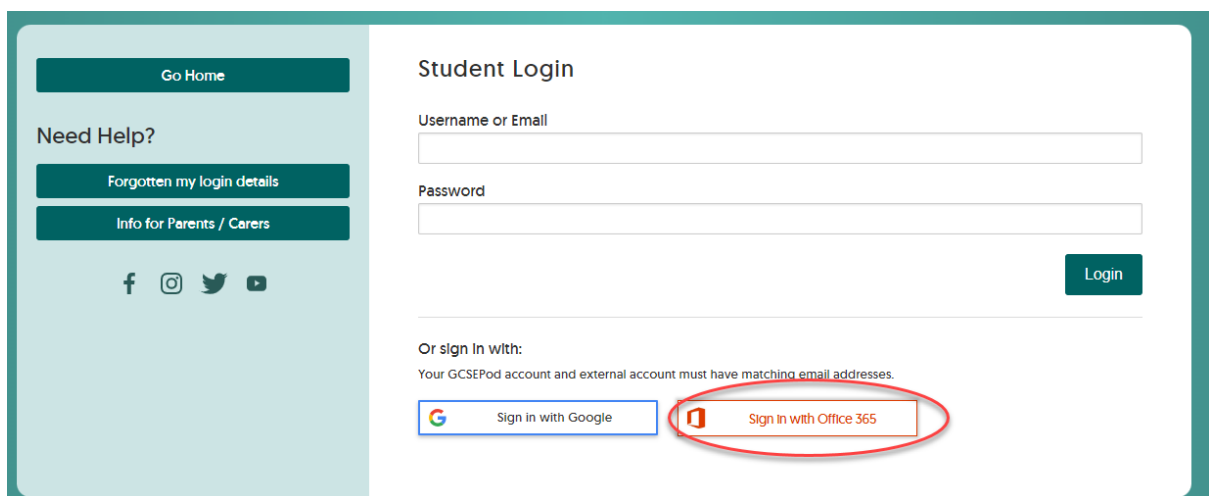

Website

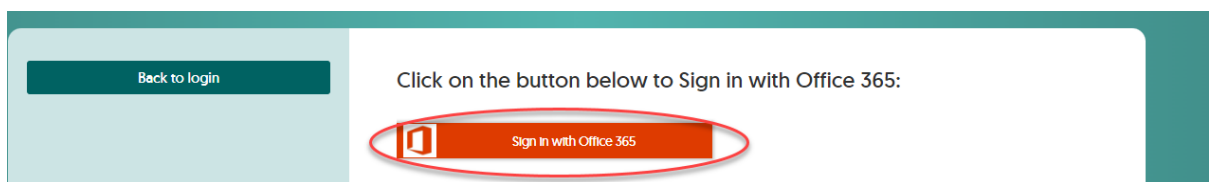

Click on **Login as a Student**

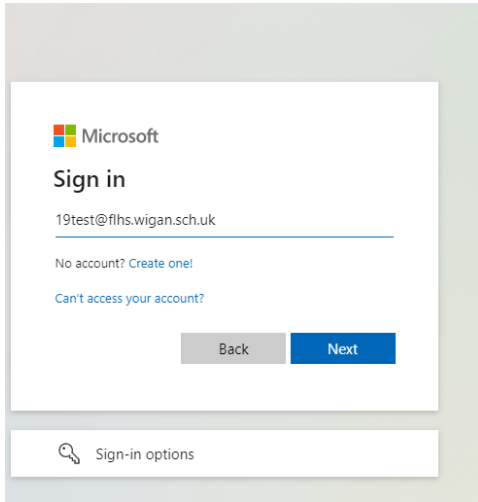

Click on **Sign in with Office 365**

When the page loads, click on **Sign in with Office 365** again

Enter your school email and password:

The screenshot shows a Microsoft sign-in interface. At the top left is the Microsoft logo. Below it, the text "Sign in" is displayed. A text input field contains the email address "19test@flhs.wigan.sch.uk". Below the input field are two links: "No account? Create one!" and "Can't access your account?". At the bottom of the sign-in box are two buttons: "Back" (grey) and "Next" (blue). Below the sign-in box is a "Sign-in options" section with a magnifying glass icon.

Now that you have signed in, you will be prompted with the following page: You will be sent an email to your account.

Your GCSEPod account and external account must have matching email addresses.

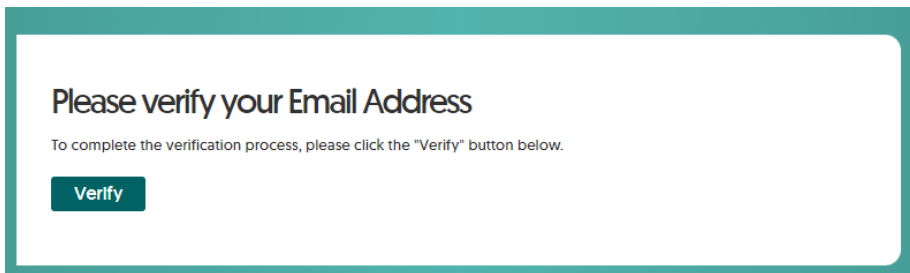

Open your school emails:

<https://outlook.office.com/owa/?realm=flhs.wigan.sch.uk>

You will now have an email requesting you validate your account: Click on the provided link.

You will be redirected to the following page: click to **Verify**

You will now have to enter the following information:

Please set a username and password.

You won't normally need them but it's handy to have a GCSEPod username and password in case you want to login to our site or apps manually rather than via another system's login (e.g. Office 365, Firefly etc). Plus, this can be used if you want to log into our free iPhone app!
